## **Key**

- 1 General Support for proposal.
- 2 Noted significant local and regional benefits from expanded activity.
- 3 Regarded environmental impact as low or acceptable.
- 4 Opposed to exclusive rights.
- 5 Requested surrender of activity area from pastoral lease.
- 6 Proposed recreation or other reserve designation.
- 7 Requested free public access for other than users of the facilities.
- 8 Expressed concern about sewerage disposal.
- 9 Considered expansion essential.
- 10 Expressed concern about safety aspects.
- 11 Regarded expansion to be unnecessary at present.
- 12 Supported a tenure change to special lease or similar.
- 13 Expressed a need for ecological protection to be established.
- 14 Considered expansion should include "natural" traits.
- 15 Provided other useful information.

# WAIORAU PUBLIC COMMENT

## Percentage of Comments

Waiorau Nordic - Public Comments

- 1 Supported proposal.
- 2 Should only freehold grazing land. (generally below 3,500')
- 3 Covenant area B should become conservation land.
- 4 Covenant area A should become conservation land.
- 5 Requested public road access.
- 6 Free foot access should be offered up road.
- 7 Open up commercial activities to competition.
- 8 All huts should become public huts.
- 9 Alternative huts should be offered.
- 10 Concession should not exclude public winter use
- 11 Should be regarded as a precedent.
- 12 Recreation Permit/Concession should be further refined.
- 13 Opposed to Freehold of class VII - Special Lease instead.
- 14 Provided other useful information.
- 15 Generally Opposed
